## ALL PURPOSE CELLULOSE SPONGE - WHITE

Ref. 51508133

The Maistic All Purpose Sponge is thin (9 mm) and sized perfect for the hand – two features making it a perfect mix of a cloth and a sponge with all of the two product features.

And yes – of course you can wash it. Pure cellulose sponges can go into the dishwasher glass drawer – putting it in the washing machine will shorten its lifetime.

Our All Purpose Sponge is very useful for your household cleaning, particularly suitable for cleaning windows, mirrors and other smooth surfaces – not leaving leftover material as plastic sponges and cloths would. Also the sponge will not leave marks but leave the surface drier than plastic sponges and most cloths.

And it absorbs dust and fluff on its way.

If you use sponges for your personal care and bathing your children, try the All Purpose Cellulose Sponge for this too. It is soft and very appropriate for those purposes too.
