CORDLESS TIRE INFLATOR

Ref. 30542133

This is the only cordless inflator that automatically shuts off when it reaches a desired tire pressure. Ideal for inflating low tires during daytime or nighttime roadside emergencies - as well as inflatables, bicycle tires and sporting equipment - the desired pressure is set using its digital pressure gauge, and operating similarly to a cordless drill, a squeeze and release of the locking trigger begins inflation. In just a few seconds it inflates a standard vehicle tire from 25 psi to 30 psi and a mountain bike tire from flat to 55 psi. In addition to cordless operation using its lithium-ion battery.

tire inflator weight : 1320 gr
