SOLAR POWERED PAW PRINT LIGHTS SET X 4

Ref. 11184133

Decorative garden lighting.

Brighten up your garden at night time with fun solar paw print lights

Shaped like the paw prints of a cat or dog, the set of four lights switch on automatically at dusk and provide up to 8 hours of cool white LED light on full charge.

Being solar they don't need to be connected to the mains. They don't need replacement batteries either. The lights come with a ground spike solar charging sensor which uses the sun's energy to charge up during the day and then light up at night.

Each paw print has a small spike underneath, so they're ideal for pressing into soft ground, gravel or turf. Completely weather proof, the entire set may be left outdoors in all weather.

Shines from dusk to dawn. Solar powered (battery included). No outlet required. Easy installation.
