## SAVON A BARBE - 100 GR

Ref. 73099133

Laboratory Osma, is **since 1957**, one of the actors of the male cosmetic.

The recent focus on men's attraction for cosmetics, does not lead to forget us that they have, for a long time, known how to take care of their body. The almost daily passage at the barbershop, baths, hands care were an integral part of the everyday life of the gentlemen of any time.

It is around the shaving, movement transmitted from father to son, that Laboratory Osma, knew how to weave over the years a particular link with their customers.

Hardly of this confidence, they defend their home-made knowledge to bring the best of our products in everyday life.

The shaving soap based with **Alum prepares the barb to the razor passage**, and thanks to its astringent properties (which make the bristle denser) it facilitates the barb cut.

The shaving soap contains also **shea butter to hydrate the skin**. This product is ideal for a skin preparation. Its plastic
